THE WORLD'S FIRST GOALIE SHOE IS HERE!
BY FLOORBALL GOALIE'S FOR FLOORBALL GOALIE'S

Asymmetric lacing on the outside of the shoe provides an excellent sliding area and ensures a great fit...

Salming Boot Room - After our elite goaltenders tested the shoe, we fine tuned the design

Sliding&PaddingArea™ is an area that is specifically developed to enhance the sliding functionality of the shoe. The area is covered with DuPont's patented and extremely durable Cordura nylon for longevity and protection. The design of the front outer sole makes it easy to "kick start" your lateral movements...

The upper portion of the front of the shoe is designed to provide great flexibility
